This is a response to the Petition for Withdrawal from Issue filed on May 7, 1991. This petition will be considered as a petition under 37 CFR 1.312(a) to permit applicant to submit the required drawings. The Petition is DISMISSED.

APPLICATION HISTORY

A decision by the Board of Patent Appeals and Interferences was rendered on September 12, 1990. On March 8, 1991 an Examiner's Amendment, Examiner Interview Record, Notice of Allowability and Notice of Allowance were mailed. A Notice of Draftsman's Patent Drawing Review (PTO Form 948) should have been included with these mailed papers.

DISCUSSION

Upon review of the file record, it appears that the Draftsman Form 948 may not have been properly mailed. On May 21, 1991 the examiner in charge of this application notified applicant of this error and mailed a copy of the required drawing correction to applicant. The error in mailing is regretted.

DECISION

The Issue Fee is due by June 10, 1991. THIS STATUTORY PERIOD CANNOT BE EXTENDED. Applicant is given one (1) month from the date of this decision to forward the approved drawing changes.

SUMMARY

The Petition to Withdraw from Issue is dismissed.
